PRESIDENT'S FOREWORD

The Toledo Federation of Art Societies extends warm greetings to the artists of an ever-widening area of Northwest Ohio and Southern Michigan, in its Thirty-eighth Annual Exhibition. This growing area of interest is clearly indicated, not only in the greater number of artists who entered their work in competition, but also in the fact that so many more towns are represented this year than in former exhibitions.

The Federation works to encourage just such an increase in interest and participation in the May show. The jury of professionally qualified judges, who selected the work to be exhibited, were greatly impressed by the high quality of work entered, particularly by the scope and quality of prints and ceramics. The high level of achievement in painting as well, gives this year's show the largest number of pictures ever hung in a Federation exhibition.

It is our sincere desire to see the number of competing artists increase with each year, feeling certain that this reflects a commensurate growth in artistic expression.

The Federation appreciates the interest and cooperation of the Junior League of Toledo in sponsoring the Art Ambassadors afternoon tea and preview.

We wish to thank the Staff of the Toledo Museum of Art for their invaluable assistance both in hanging the exhibition and in caring for the permanent collection of the Federation. This collection grows each year through the generosity of our contributors to whom we also extend our appreciation.

DOMINICK LABINO, *President*
